The Pangolin Wiki

The Pangolin Wiki is home for everything support and education related. Here you can find manuals, tutorials, guides, videos, **downloads** and more for every pangolin software, hardware, and laser projector. Use the main links on the homepage, or just use the search bar to quickly find what you are looking for. Every page on the Wiki has been configured to make navigation and searching as easy as possible. We are very confident that you'll have no problem finding the information you're looking for. Learn more about the Pangolin Support, Education, and Development Process by reading this article.

- Tutorial videos
- How to upload content to the Pangolin Cloud

Available content

- Beam Show
- Graphic Show
- Mixed Show (Graphics and Beam shows combined)

The Youtube channels above contain videos of laser shows that can be found in the Pangolin Cloud.

The video titles contain a number. Search for this number in the Pangolin Cloud, to find the exact show that is being showed on the video.

For example when the show is named “Revelation / #**1498** / Laser graphic show”, then search for “**1498**” to locate the show.
